

# DOVETALE COLLECTIONS

New  
Products

## We've travelled around the world to discover new flavours and products for 2008

These products represent some of the new and exciting choices Dove Tale Collections are now offering along with the hundreds of other gourmet imported foods we already carry from around the world.

### BLUE ELEPHANT

Discover the exotic flavours of Thailand with Blue Elephant's range of products. These restaurant quality sauces and spices will give any dish a taste of Thailand.

### O DE OLIVA

These varietal olive oils are as unique as their packaging. Each olive oil is made with a different variety olive giving your customers a new choice to add subtle flavours to their dishes.

### SHERE KHAN

Shere Khan's new microwavable sauce pouch gives your customers the ability to make authentic curries at home in a convenient and quick way. Take home a taste of London's Brick Lane.

### ANTONIO MATTEI

Deseo biscuits by Francesco Pandolfini; made with all natural ingredients coupled with beautiful packaging make these Cantuccini from Italy a unique gift or snack for the cookie connoisseur.

### WOODCHESTER

An award winning, great tasting range of sweet and savoury sauces and dressings from England. These stylish bottles have a huge visual impact on shelves because of their minimal packaging.

### YOU ARE WHAT YOU EAT

Britain's fastest selling nut mixes bring a truly natural and healthy alternative to traditional snacks. Gillian Mckeith, nutritionist and TV host formulated all the products for this line. Enjoy healthy living.

## We've travelled around the world to discover new flavours and products for 2008

These products represent some of the new and exciting choices Dove Tale Collections are now offering along with the hundreds of other gourmet imported foods we already carry from around the world.

### TAYLORS

Taylor's new packaging reflects the quality put into every bag of their coffee. Choose your coffee from different origins, lifestyle choices or by type of bean.

### CHOCOLATE ORGANIKO

Discover the sensations of organic chocolate & truffles from Spain. This new line combines unique design and organic ingredients to create a perfect gift for the chocolate connoisseur.

### DUFFLET

Dufflet's new Tumbles have the same quality you would expect from Dufflet's bakery. These tumbled nuts are a fusion of crisp textures with a combination of liquor and Belgian chocolate.

### MACKAYS

Fresh slowly cooked vegetables and a careful balance of herbs makes Mackay's Savoury range the perfect partner for its well known line of preserves, marmalades and curds.

### DUNCANS

Duncans has been producing truffles for more than 120 years and with one bite you can experience the pride and history put into each truffle. Duncans uses 6% alcohol for unrivalled full flavour

### CANDELEROS

Candeleros salsas and sauces are hand-crafted in small batches to insure quality and authenticity in flavour. All Candeleros salsas & sauces are vegetarian and all natural with no preservatives or fillers.
